

Kalahari – Fundraiser Program

Are you looking to earn money for your school or organization? Looking for money for computers, books, a new playground, a school trip, or Prom? Kalahari, the LARGEST indoor waterpark in the UNITED STATES, has a fundraiser program that is FUN, EASY, and the best part about this fundraiser is you won't have to collect money, deliver goods (popcorn, magazines, or candy bars), and is the simplest fundraiser you will ever do!

We offer a Fundraiser / Family & Friends Night that's been such an overwhelming success with area schools and organizations you'll wonder why you never thought of this before!

We allow you to earn money for your school or organization while students, families, and staff are having fun at the LARGEST indoor waterpark in the USA! You can earn anywhere **from hundreds to even thousands of dollars** for your organization. (The most earned by a school was Solon Schools that raised nearly \$3,300). Can you beat it?

How the fundraiser works

The fundraiser is a win/win both for your school/organization and for Kalahari.

We can offer you a night where we wouldn't normally be sold out, so we have plenty of rooms to sell at a significantly reduced rate. Then, **you will earn \$10 for each room** that gets reserved! To activate the fundraiser, all you need to book is 10 rooms. Some schools only get 25 rooms, others hit 100, or those that promote this to their whole district will book 200-300 rooms and earn \$2,000-\$3,000! If you book 10, you earn money.

Choosing a date – MUST BE A WEEKNIGHT DURING OFF SEASON

Take a look at your school/community calendar. Look immediately for days you have off from school that may be 'bizarre' or unusual dates. For example, either in service days, teacher workdays, parent/teacher conferences, etc.

If you have Friday off, we could do that Thursday night prior, since there is no school on Friday. Or if you have Monday off, we could do it the Sunday before. **Nights before a holiday are not available.** For example, the Sunday before Martin Luther King Day is not available as that's considered a weekend night for us still.

The night before is most likely a weeknight, and we can offer an unbelievable rate because it is a weeknight

Book early! We can only take a limited number of schools/organizations on any given night. (Typically, once 2-3 large schools' book, that date is closed off). The school fundraiser program is valid Sept-December 23, January-June 15. Depending on your date, the families can take advantage of up to 50% off the regular rate! This is not valid during peak seasons or holidays.

Once it's determined your date is AVAILABLE

I can then book your date. I'll get the paperwork for you to secure your date. There is absolutely NO liability whatsoever to secure rooms.

Once the date is held, we will create a personalized flyer for your school/organization that would say "____ Schools/Organization Family & Friends Night Fundraiser". The only thing you must do is distribute it and promote the event.

On the flyer, families will be instructed to call in to make their reservations, with their own credit cards to reserve their rooms.

After the event

At the end of the event, we will cut a check to you for \$10 times however many rooms were booked. It's that easy!

The more that attend the better, as it allows you to maximize the amount of money fundraised so its in your best interest to promote the event as best as you can.

I hope you may be interested in setting up a Kalahari Fundraiser with us for your students, families, and staff to have a getaway that is close to home, at a great discounted rate to come have FUN, all while supporting your school or organization.
